

REMARKS

The present amendment and sequence listing correct several deficiencies in the prior sequence listing. Particularly, two sequences contained in the figures were inadvertently not included in the sequence listing previously submitted. Any inconvenience caused the Examiner is regretted.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,

Date April 6, 2004
